Type of event: (National, international, press conference, promotional event etc.)	Teaching master and doctoral students
Total number of participants:	60 students from University of Jordan and 10 students from Petra university
Invitation was sent off to participants on:	
General description	
<p>Event aim: the program country professor traveled to Jordan and gave a workshop on the developed master's program, Digital Humanities, at the University of Jordan and the Cybersecurity professional diploma at Petra University.</p>	
Discription:	
<p>one-week workshops: two days teaching the master program at the University of Jordan and another two days teaching at Petra University.</p>	
Comments and Recommendations:	
<p>The teaching was successful; the professors were able to teach the master's program for master's students and for doctoral researchers at both universities.</p>	
Major obstacles encountered during the preparation for the event:	
<p>Due to the war in Gaza, only representatives of one program country could physically attend the other professor presented online from Innsbruck presented Online.</p>	
Publications: 31 photos for the event can be found on the Facebook and LinkedIn social media of the project.
